MESSAGE FROM
THE CONFERENCE GENERAL CHAIR

“I would like to welcome to the European Biomass Conference and Exhibition in Lisbon this May 2019 because it’s a fantastic conference. The world’s largest conference on biomass in a city that is open to science, open to the world, and in a Country, Portugal, that has been a example in promotion of biomass and renewables energies. So, please, I will look forward to meet you in the conference in Lisbon.”

Prof. Maria da Graça Carvalho
European Commission
Directorate-General Research and Innovation Member Scientific Advice Mechanism Unit EUBCE Conference General Chair

Coordination of the Technical Programme
European Commission - Joint Research Centre
VENUE

DATE | PLACE
27 – 30 May 2019
Lisbon Congress Centre - CCL
Praca das Industrias 1, 1300-307
Lisbon, Portugal

OPENING HOURS

Conference
Monday-Wednesday 08:30 - 18:30
Thursday 08:30 - 16:45

Exhibition
Monday after conference opening to 18:30
Tuesday-Wednesday 08:30 - 18:30
Thursday 08:30 - 14:30

Paper Delivery - Presenters’ Desk
Sunday 16:00 - 18:00
Monday 07:30 - 18:30
Tuesday-Wednesday 08:00 - 18:30
Thursday 08:00 - 15:00
The international conference with 250 oral presentations and more than 400 poster presentations takes place in parallel to the exhibition.

PLENARIES

**Monday 27th May** Opening Session 9:00 - 12:35
- Plenary Session - “Application of Science in Industry”
- Opening Addresses - “The role of biomass in delivering the Paris targets and supporting sustainable development goals”
- Moderated Panel Discussion
- Linneborn Prize / EUBIA Award

**Tuesday 28th May** Plenary Session 10:15 - 12:30
- Biomass technological progress toward decarbonised energy systems

**Wednesday 29th May** Plenary Session 10:15 - 12:30
- Biomass industry perspectives to meet sustainable development and climate goals

**Thursday 30th May** Closing Session 15:15 - 16:45
- Keynote
- Highlights of the Conference
- Poster Awards / Student Awards
- Farewell
1. **Biomass Resources**
   - T1.1 Biomass potentials and biomass production models
   - T1.2 Biomass feedstock, residues and by-products
   - T1.3 Biomass crops and energy grasses
   - T1.4 Algae production systems
   - T1.5 Municipal and industrial wastes
   - T1.6 Integrated biomass production for energy purposes

2. **Biomass Conversion Technologies for Heating, Cooling and Electricity**
   - T2.1 Production and supply of solid fuels and intermediates
   - T2.2 Biomass and bioliquids combustion for small and medium scale applications
   - T2.3 Biomass combustion in large utilities
   - T2.4 Gasification for power, CHP and polygeneration
   - T2.5 Gasification for synthesis gas production
   - T2.6 Anaerobic digestion for biogas and biomethane production

3. **Biomass Conversion Technologies for Energy Carriers, Chemicals and Materials**
   - T3.1 Production of thermally treated solid fuels
   - T3.2 Pyrolysis
   - T3.3 Hydrothermal processing
   - T3.4 Oil-based biofuels
   - T3.5 Bio-alcohols from lignocellulosic biomass and pretreatment
   - T3.6 Biorefineries
   - T3.7 Production and application of biobased chemicals

4. **Biomass Sustainability, Impacts and Policies**
   - T4.1 Sustainability and socio-economic impacts
   - T4.2 Environmental impacts of bioenergy
   - T4.3 Climate impacts of bioenergy
   - T4.4 Biomass strategies and policies

5. **Bioenergy Integration in Energy Systems**
   - T5.1 Market implementation, investments & financing
   - T5.2 Strategies for biomass integrated into energy systems
   - T5.3 Technological options for energy grid balancing
   - T5.4 Resource efficient bioeconomy

6. **Industry Sessions**
   - I6.1 Biomass Resources (Crops, SRF, Algae and Organic Waste)
   - I6.2 Thermochemical conversion processes
   - I6.3 Power & Heat processes and systems
   - I6.4 Biochemical conversion
   - I6.5 Policy
CONFERENCE PROGRAMME
OUTLINE OF THE WEEK

Monday, 27 May
- Opening
- Plenary Session
  "Application of Science in Industry"
- Opening Addresses
  "The role of biomass in delivering the Paris targets and supporting sustainable development goals"
- Moderated Panel Discussion
  "Biomass technological progress toward decarbonised energy systems"
- Lunch Break

Tuesday, 28 May
- Plenary Session
  "Biomass industry perspectives to meet sustainable development and climate goals"
- Lunch Break

Wednesday, 29 May
- Plenary Session
  "Biomass technological progress toward decarbonised energy systems"

Thursday, 30 May
- Closing Session
  Keynote
  Highlights of the Conference
  Poster Awards / Student Awards
  Farewell

Friday, 31 May
- Technical Tours

Status as 13/03/2019
## EUBCE 2019 - European Biomass Conference and Exhibition

### OVERVIEW PARALLEL EVENTS, WORKSHOPS AND NETWORKING ACTIVITIES

**Status as of 07/05/2019**

EUBCE provides an excellent opportunity to meet companies and individuals allowing you to expand your network and knowledge base.
NETWORKING OPPORTUNITIES

WELCOME RECEPTION
MONDAY 27TH MAY 2019 – 18:30
The welcome reception will celebrate the role of the 27th EUBCE as a major networking platform for the global biomass community. All EUBCE participants have been invited to join the welcome reception.

INTERNATIONAL BIOMASS MATCHMAKING EVENT
TUESDAY 28TH 14:30 – 18:30
Meet potential partners or customers and expand your company's network within the biomass sector. Participate if you would like to meet companies within the sector, scout for international projects partners, gain knowledge about international players and establish international collaborations.

NETWORKING LUNCH
MONDAY TO THURSDAY 12:30–13:30
The networking lunch will be served in buffet style in a designated area during the conference programme breaks. Delegates, visitors and exhibitors interested in taking part in the networking lunch should purchase tickets before the event through the registration page.

EUBCE DINNER
WEDNESDAY 29TH MAY 2019 – 19:30
JARDIM BOTÂNICO DA AJUDA
ESTUFA REAL – LISBOA
Enjoy an excellent dinner and fine drinks together with biomass experts from all over the world. This exclusive sit-down dinner will be one of the most captivating evenings of the European Biomass Conference and Exhibition.
