

## INSTRUCTIONS FOR THE ADDITIONAL FILES TO BE INCLUDED IN THE EUBCE CONFERENCE PROCEEDINGS

In addition to the full paper, authors may publish in the Conference Proceedings, the slides of plenary and oral presentations and the posters of visual presentations.

The files must be submitted by 8<sup>th</sup> June 2023 in the [EUBCE User Area](#) (section “Paper delivery”). Please complete the mandatory electronic Copyright Transfer Agreement.

### Slides/Poster Presentation for the Conference Proceedings

- Slides of presentation that should be published in the Conference Proceedings will be converted in PDF by the editor.
- File formats different from pdf (e.g. jpg, tif, doc, ppt etc) that cannot be converted will not be accepted.
- The poster and slide file must be renamed with your session code followed by “\_poster” or “\_presentation” (e.g. for session 2CV.3.1 the name of poster file will be “2CV.3.1\_poster”, for session 1AO.1.1 the name of poster file will be “1AO.1.1\_presentation”).
- If you are using special fonts make sure that the checkbox “do not send fonts to distiller” is unchecked in the “Adobe PDF settings” page.
- Pdf files must NOT have any password nor security restrictions.

**Only corresponding authors** of each presentation may upload the files for publication in the conference proceedings.

Thank you for your attention.

On behalf of Nicolae Scarlat, Technical Programme Chair.
