Instructions for the preparation of the files containing the slides of presentation / posters for publication in the Conference Proceedings

In addition to the full paper, the Conference Proceedings contain the slides of both plenary and oral presentations, as well as the posters of the visual presentations in PDF. If you wish to publish your presentations in the Conference Proceedings, please submit them online by 27 June 2024 in the [EUBCE User Area](#) (section "Paper delivery").

To upload the files, follow the step-by-step procedures provided in the user area and **complete the mandatory electronic Copyright Transfer Agreement as one of the steps of the online submission.** Kindly note that only corresponding authors may upload the presentation for publication in the Conference Proceedings. If the file is not available during this period, your presentation **cannot be published** in the Conference Proceedings.

The PDF is the only accepted file type for this documents in the Conference Proceedings. Use your session code as the name for the document, followed by "_poster" or "_presentation" (e.g. for session 2CV.3.1 the name of poster file will be "2CV.3.1_poster", for session 1AO.1.1 the name of poster file will be "1AO.1.1_presentation").

The file size of each presentation should not exceed 10 MB (once converted into PDF). Please do not set password security on your PDF files.

For Microsoft Word or Microsoft PowerPoint users to generate PDF file, you can either save or print your presentation as PDF file.

Please make sure that the file you submit is the final version.

If you need further assistance, please don't hesitate to contact us.

Thank you very much for your kind attention.
